

C60-F (#19521)

Focus gear for Canon EF-S 60mm f/2.8 Macro USM

Please follow the instruction below to mount the C60-F on the lens

1. Keep the lens rubber ring on while installing the plastic c-ring onto the zoom ring area.

2. Insert the gear ring of C60-f on the plastic c-ring, as shown in the diagram, until it reaches the flange of the plastic c-ring.

3. The tightness between the C60-F gear and the lens can be adjusted by removing or adding rubber grips on either sides of the plastic c-ring, spare rubber grips are included in the package.
